

“Life is a journey, who’s in your huddle?”

Life is a journey, an Odyssey of epic proportions. It was not meant to be lived in isolation, but in relationship with others.

This non-profit organization is dedicated to building relationships between caring adults, at-risk children and adolescents through community connections and the art of mentoring. Who’s in your huddle?

### What is O-Huddle Mentoring?

O-Huddle is a grant-funded, research based, set of programs to underscore your child’s strengths and positive attributes. Our goal is to bring together families, faith based organizations, businesses and others to mentor students, support our schools and build stronger communities. O-Huddle is looking for individuals able to spend 1 hour a week in a school-based mentoring relationship with a student in the Wooster or Orrville City School districts. Are you interested in making a lasting impact on a student?

### O-Huddle has several opportunities to get involved:

- One to One Mentoring with a student 1-2 hour(s) a week
- Group Mentoring Youth & Summer Groups
- Monitoring / facilitating youth activities (games and crafts)
- Preparing / Serving meals for youth group
- Donations (i.e snacks, school supplies, crafts, hygiene and food items etc.) to the organization

### O-Huddle Mentors are asset builders.

#### What does an asset builder do?

- Say hello, initiate relationships
- Look for the good in others and seek common ground
- Have meaningful conversations
- Model positive behavior
- Encourage others
- Set healthy boundaries

#### Who is an asset builder?

- Open, honest and an active listener
- Self-aware and committed to personal growth
- Trustworthy
- Appreciative of others’ strength and uniqueness
- You!

O-Huddle uses the Search Institute’s “Asset Approach” as a guide to our mentoring. Mentor training includes Search Institute designed Workshops introducing the “40 Developmental Assets”.
