*Maximize your learning with
our one-on-one help sessions*

MON-FRI 9:00AM-4:00PM, 6:00-9:00PM

Student volunteers from across the campus look forward to helping our community grow and to support local students, teachers, and parents whether you are online learning or in the classroom.

Book a 30-minute session with a College of Wooster student for homework help in a preferred content area.

This is NOT a supplemental teaching program but an opportunity to ask questions and get some additional assistance.
